## AFTERNOON SPEAKER

### KRISTY STEPPE

New Beginnings!

Sometimes that sounds promising, doesn't it! Out with the old, in with the new!

However, there are times in our lives where we want to stomp our feet like a toddler and say with a whine to our voice, "Why?"

God sometimes asks us, like Abraham, to move out; to be willing to go!

Whether you are ready for a new adventure or struggling to recover from the last one - we can all agree that often the struggle is one of *TRUST*.
